WOOD

- SERIES -

Buying a natural wood style like buying an art - Wood series are focus on collection specifically curated for their statement quality balanced with utility (practical) value, and hand-finished to be as close representative to nature.

Our laminates are green certified, they have minimal emission of TVOC (Total Volatile Organic Components), suitable to use in environments with strict guidelines like hospital or clinics.

The beauty of well define wood grains will never go out of style. Designers can match from quiet minimalise to bold masculinity easily, and the laminates are ultra-realistic which lies on the precise colour tones.
